12th – Science | **School:** Bishnupur K.M. High School | **Board:** W.B.C.H.S.E | YOP - 2022 | Percentage – 86%

10th – General | **School:** Purusottampur High School | **Board:** W.B.B.S.E | YOP - 2020 | Percentage – 77.5%

EXPERIENCE

Pinnacle Internship (23/06/2025 - 23/07/2025)

- Web Development:
- Calculator with basic mathematical operation, Web application to-do list

CERTIFICATIONS

- **Cyber Job Simulation** – Deloitte
- **Advanced Python with Data Visualization**
- **Soft Skills Essentials** by Nikhil Bharat Shiksha Parishad

PROJECTS

- **Restaurant website**
Develop a restaurant site with menus, reservations, and event details to enhance the customer dining experience.
- **Multilingual Chatbot Using NLP** (On going)
A Natural Language Processing-based chatbot designed to understand and respond in multiple languages. It uses text preprocessing, language detection, and intent recognition techniques to generate accurate responses. The system improves user interaction by enabling seamless communication across different languages through automated conversational intelligence.

POSITIONS OF RESPONSIBILITY

- Team Lead (Academic Projects)
- Project Coordinator
- Technical Documentation Lead

HOBBIES AND INTEREST

- Travelling
- Listening music
- Playing Cricket
